

# PRACTICE TEST 1

Test Date: 09/30/2022

\*Results are not guaranteed on the official exam as several factors influence your performance on the day of the test. This data is used to help predict your performance and influence your preparation strategy.

## Reading & Writing

66	47	19	3*
Total Questions	Correct Answers	Incorrect Answers	Omitted Questions

## Math

54	41	13	2*
Total Questions	Correct Answers	Incorrect Answers	Omitted Questions

\*Remember: you do NOT lose points for wrong answers, so if you have any omitted questions, that's an easy area to improve!

Total Score

1130

400 to 1600

Reading & Writing Score

590

200 to 800

Math Score

480

200 to 800

# PRACTICE TEST 2

Test Date: 03/06/2023

\*If you have only taken one practice test, scores will only populate into one area. After both practice tests, you can compare your performance.

## Reading & Writing

66	58	8	1*
Total Questions	Correct Answers	Incorrect Answers	Omitted Questions

## Math

54	44	10	3*
Total Questions	Correct Answers	Incorrect Answers	Omitted Questions

\*Remember: you do NOT lose points for wrong answers, so if you have any omitted questions, that's an easy area to improve!

Total Score

1210

400 to 1600

Reading & Writing Score

670

200 to 800

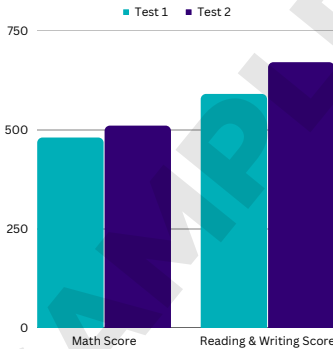

Math Score

510

200 to 800

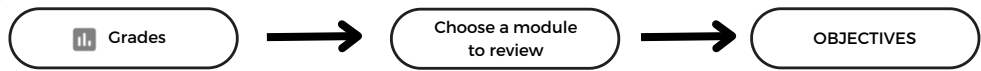

## Test to Test Comparison

\*If you have only taken one practice test, scores will only populate into one area. After both practice tests, you can compare your performance.

## Benchmark Spotlight

To see which skills you should focus on, go to:

Follow these steps to see how you did on each tested standard. Once your focus standards are identified, check out the **Student Resources** folder to connect which lessons can improve your skills in that area.

**What percentage of each section are you meeting or exceeding benchmarks?**

\*Based on most recent practice test.

**Math**

52%

**Reading & Writing**

68%

## Are You College Ready?

You are considered "college ready" when your scores meet the minimum benchmark score for each section. \*Based on most recent practice test.

	Benchmark	Your Score	College Ready?
<b>MATH:</b>	530	510	✗ NOT YET
<b>RW:</b>	480	670	✓ YES

## CollegeSpring Connect Participation

This section indicates how much time you have spent in the learning platform in your Digital SAT core content course (not on practice tests). If you're enrolled in more than one Digital SAT course, it combines your activity in both courses.
